## LEAGUE LAUNCHES IMPORTANT PROGRAM INITIATIVE

At the July board meeting, we decided that we should hold a public community meeting on an important issue. After much lively discussion of three good topics, "What should Government Do for its Citizens? What does it really mean to provide for the general welfare" received top endorsement. Given current debates over budgets, program cuts, and the government's role at the national, state and local level, a constructive conversation is needed. And who can facilitate such a discussion better than the League? We believe that early Spring 2012 is the ideal time for such a program. The 2012 presidential race will be underway, the Missouri Assembly will be beginning its work, and local elections will be held in April.

A committee to work on this event is being formed now. If you are interested in working on this project, please contact Linda McDaniel at [president@lwvstl.org](mailto:president@lwvstl.org) or 314.517.1149 as soon as possible!

The board also considered two other options: programs that would provide information on the practical effects of the implementation of the Affordable Care Act and a program of civic education. We will ask the Health Care Committee and those who have expressed an interest in Civic Education to consider preparing proposals for consideration for the 2012-2013 program. These are important program topics that need time and effort. Here is your chance to work on issues that you care about. Contact Linda McDaniel for more information.

## MESSAGE FROM THE PRESIDENTS

Dear Friends,

We don't know what is hotter - the budget talks in Washington or this St. Louis summer! We do know that there has been plenty to keep us busy and we are looking forward to September's Kickoff to begin the year's activities.

We were pleased that Governor Jay Nixon vetoed the Voter I.D. bill last month. As he indicated in the press release announcing his veto, this bill would jeopardize over 230,000 Missouri registered voters who do not have a current Missouri driver's license. It would jeopardize seniors, people with disabilities, the working poor, students and African Americans who are twice as likely to lack such I.D. In addition, the cost of implementing the legislature's photo ID proposal would cost well over \$20 million, a price tag the people of Missouri cannot afford, particularly when there have NOT been reports that voter fraud has occurred. Thank you to all of you who responded to our call for emails, phone calls and letters. Apparently many leaguers across the state and particularly St. Louis made their position known. We know, however, that this issue is not going to go away. The Advancement Project, the coalition to which we belong, filed a lawsuit on July 6<sup>th</sup> (along with the Fair Elections Legal Network, the American Civil Liberties Union of Eastern Missouri, and the ACLU of Kansas and Western Missouri over the "deceptive and misleading" Voter ID Ballot Initiative. It was the first ever challenge to a Photo ID constitutional amendment filed on behalf of the elderly, people with disabilities, racial minorities, and students who face loss of voting rights. The lawsuit asks the court to block the initiative from appearing on the November 2012 ballot because it "deceives and misleads voters about what the amendment would and would not do and thus is neither true nor impartial, but instead likely to create prejudice in favor of the proposed measure." You can get more information on the suit at [www.advancementproject.org](http://www.advancementproject.org). This issue strikes at the heart of what the League believes - that all should have access to open and free elections. We will keep you posted on further developments.

Save the dates for two important events – the 24<sup>th</sup> annual Equality Day Brunch on Saturday, **August 20, 2011**, featuring speaker Betty Dukes, lead Plaintiff in Supreme Court Case Dukes vs. Wal-Mart. We hope to have a good group from the League at the Equality Day Brunch to network with folks who share our interests and encourage them to become League members. Our annual kickoff on will be **Wednesday, September 14<sup>th</sup>**. The kickoff's featured speaker will be Dr. Kathleen Sullivan Brown from UMSL speaking on education, which is the subject of our national study. Now is the time to get involved with that study chaired by Marty Ott.

Finally, LWVUS President Elisabeth MacNamara will be visiting St. Louis near the end of August. We have not received her travel itinerary yet, but will hold an event where all members will get the opportunity to visit with her and share their thoughts about the recent Clean Air Act amendment vote cast by Senator Clare McCaskill and other issues. As soon as we get the dates of her visit nailed down, you will be hearing from us.

Thank you for all the volunteers who keep coming in during these hot months to help with our work. Let's all identify a friend or two to recruit as new League members and bring them to the September kickoff. Once they meet us, how can they resist?

Kathleen Farrell

## EQUALITY DAY BRUNCH

Please join me and other League members for the 24th Annual Equality Day Brunch on **Saturday, August 20, 2011** at the Crowne Plaza Hotel, Clayton. The League will have an informational table at the brunch and we would welcome your help in representing the League. This is a wonderful opportunity to share our stories and ask others to join the League of Women Voters. Registration information is included in the flyer below. If you are interested in attending and/or helping out at the informational table, please contact me at: 314.842.9383 or [PatJones@lwvstl.org](mailto:PatJones@lwvstl.org). I would also be happy to help coordinate carpooling.

## LEAGUE IN THE LOOP TAILGATE SALE

Our Annual League in the Loop Tailgate Sale will be held on Labor Day, Monday, **September 5<sup>th</sup>** at Parking Lot #4 (behind the Loop Market) in University City. The League will not have a booth this year. **We will sell booths at \$30.00 per booth until Sept. 1st. Booth purchase after that date is \$40.00 per booth.** A booth is 2 parking spaces. Are you interested in purchasing a booth to see those terrific treasures you have finally decided to part with help make money for the League? **Have 2 or 3 people get together and buy a booth or would your unit like to purchase a booth?** You could always challenge other units and see who is top dog in sales. For more information **contact Barbara Elbrecht at 314.962.2821.** See p. 12

Please note: we will not hold a book sale this year. So please pass your books on to others. The League office will not be collecting books this year.

*Barbara Elbrecht, Chair*

## DEVELOPMENT TASK FORCE PLANS FOR THE FUTURE

The Development Task Force has been meeting since April to develop additional fundraising initiatives. The task force recommends that a part-time development consultant be contracted. In addition, several new events and targeted campaigns have been recommended and will be presented to the development consultant. At the LWVSTL Board meeting on July 20<sup>th</sup>, the Board voted unanimously to accept the recommendation of the task force and hire a development consultant on contract. Co-President Kathleen Farrell will oversee the selection process and supervise the position.

## REPORT FROM THE TREASURER 2011–2012

### **LWV St. Louis Treasurer's Report**

The St. Louis League operates on a fiscal year of July 1 to June 30. Our income for the year just ended exceeded our expenses without drawing from reserves.

Our income totaled \$40,565 and expenses were \$37,600. Income consisted of members' dues of \$17,970 and member contributions in addition to dues of \$6,779. Other fundraising totaled \$12,501. Member meeting and product revenue was \$3,178. In addition to the above revenue there was other income of \$137.

The League's major expense was our share of operating the office and salaries for the two staff people we employ. These expenses totaled \$22,978. Fund raising costs were \$1,212. Expenses for June 2010 National convention delegates reimbursed in the current fiscal year were \$2,252. Cost of member meetings was \$2,522. National per member payment (pmp) which is based on number of members was \$4,277, state pmp was \$4,320. Miscellaneous costs were \$39.

More detailed financial information is available by contacting the treasurer, Cindy Mitchell through the office.

### **League of Women Voters Information Service Treasurer's Report**

LWVIS also operates on a 7/1 – 6/30 fiscal year. The year ending June 30, 2011 was a very successful year in providing voter services to the St. Louis community. However, financially our current expenses exceeded our income by a substantial amount.

Contributions from individuals and tributes totaled \$5,284. Other fundraising raised \$7,835. Our investment income was \$9,870.

Our expenses included the organization's share of the office operating costs of \$34,990. Other expenses included ½ of our National League's Per Member Payment of \$4,277, printing of our Register and Vote informational pamphlet \$727, fund raising expenses of \$908, the Civility workshop cost of \$1,997 (which was covered by participants' fees and monies in the Missouri League's Ed Fund) and miscellaneous expenses. Total expenses were \$43,500.

**MSD RATE INCREASE**

**METROPOLITAN ST. LOUIS SEWER DISTRICT RATE PROPOSAL**

On May 10, the Metropolitan St. Louis Sewer District submitted a Rate Change Notice to the Rate Commission of the District. The Rate Commission was established as part of amendments to the MSD Charter which were passed in an election in November, 2000. The Commission is made up of fifteen organizations reflecting a wide variety of rate payers in the District. Each organization designates a member to represent the organization on the Commission. The League is a Commission member. The responsibility of the Commission is to review any proposed changes to wastewater and storm water rates or rate structure. The Charter requires that any proposed rate change or any portion of the change:

1. Is consistent with constitutional, statutory or common law as amended from time to time;
2. Enhances the District's ability to provide adequate sewer and drainage systems and facilities or related services;
3. Is consistent with and not

in violation of any covenant or provision relating to any outstanding bonds or indebtedness of the District;

4. Does not impair the ability of the District to comply with applicable Federal or State laws or regulations as amended from time to time;
- Imposes a fair and reasonable burden on all classes of rate-payers.

The Rate Change Proposal covers fiscal years 2013 through 2016 (July 1, 2012 through June 30, 2016) and affects only wastewater rates. The projected monthly rates for the average single-family customer are \$28.73 in 2012, \$32.37 in 2013, \$36.71 in 2014; \$41.56 in 2015, and \$47.05 in 2016. The District is requesting these rates to meet regulatory requirements and provide funds for the costs of issuing and paying interest on bonds. Other rate change drivers include the loss of customer base, declining water usage and the general state of the economy.

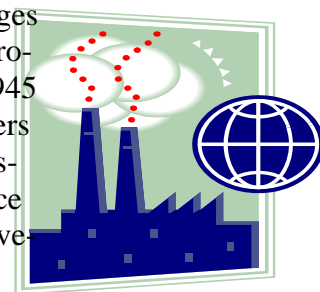

In addition to the rate changes cited above, the proposal provides for a bond issue of \$945 million to be put to the voters in April, 2012. The bond issue would be used to finance the District's capital improve-

ment program. An alternative structure is presented using no additional bonds but financing the capital improvements on a cash basis. This would result in an initial increase in rates in fiscal 2013 to \$73.35 and to \$74.40 in 2016.

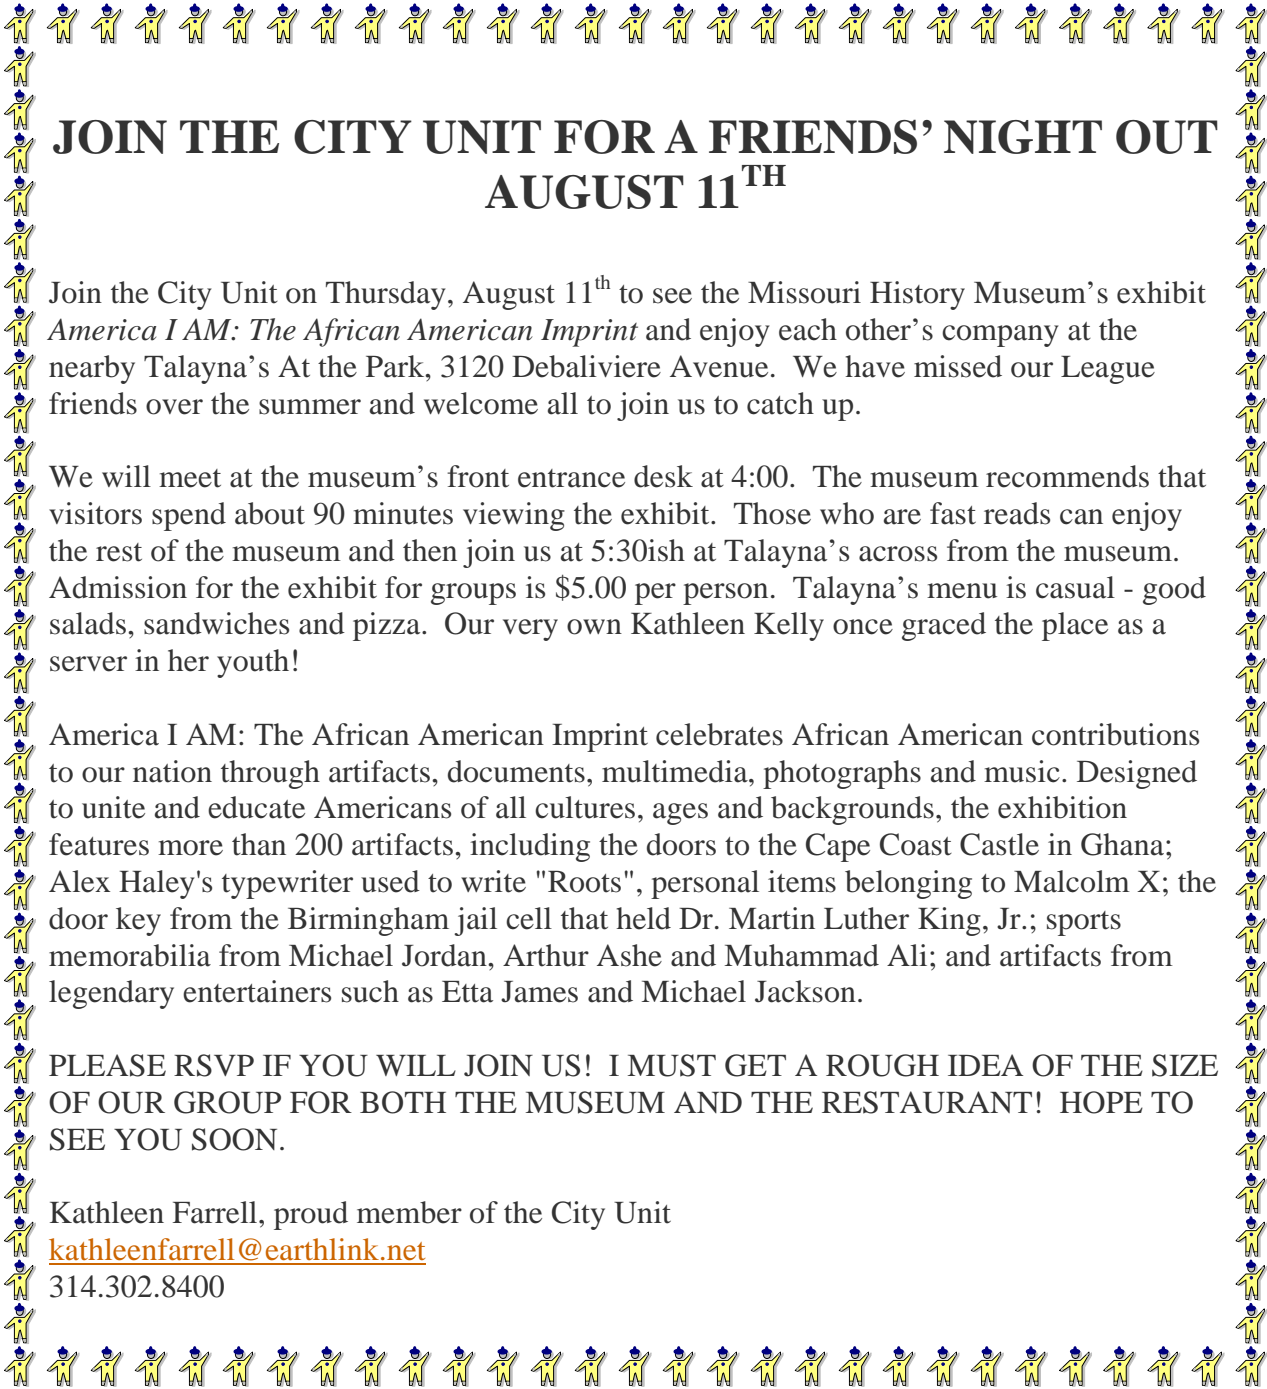

An important component of the rate review process is the public hearing. Six hearings will be held throughout the District at various locations and times. The hearings will include a presentation about the proposed rates and an opportunity for the public to provide input to the Commission.

Further information about the District, the Rate Commission and the Rate Change Proposal is available on the District's website [www.stlmsd.com](http://www.stlmsd.com). Go to "About MSD" and click on the Rate Commission.

**JOIN THE CITY UNIT FOR A FRIENDS' NIGHT OUT  
AUGUST 11<sup>TH</sup>**

Join the City Unit on Thursday, August 11<sup>th</sup> to see the Missouri History Museum's exhibit *America I AM: The African American Imprint* and enjoy each other's company at the nearby Talayna's At the Park, 3120 Debaliviere Avenue. We have missed our League friends over the summer and welcome all to join us to catch up.

We will meet at the museum's front entrance desk at 4:00. The museum recommends that visitors spend about 90 minutes viewing the exhibit. Those who are fast reads can enjoy the rest of the museum and then join us at 5:30ish at Talayna's across from the museum. Admission for the exhibit for groups is \$5.00 per person. Talayna's menu is casual - good salads, sandwiches and pizza. Our very own Kathleen Kelly once graced the place as a server in her youth!

America I AM: The African American Imprint celebrates African American contributions to our nation through artifacts, documents, multimedia, photographs and music. Designed to unite and educate Americans of all cultures, ages and backgrounds, the exhibition features more than 200 artifacts, including the doors to the Cape Coast Castle in Ghana; Alex Haley's typewriter used to write "Roots", personal items belonging to Malcolm X; the door key from the Birmingham jail cell that held Dr. Martin Luther King, Jr.; sports memorabilia from Michael Jordan, Arthur Ashe and Muhammad Ali; and artifacts from legendary entertainers such as Etta James and Michael Jackson.

PLEASE RSVP IF YOU WILL JOIN US! I MUST GET A ROUGH IDEA OF THE SIZE OF OUR GROUP FOR BOTH THE MUSEUM AND THE RESTAURANT! HOPE TO SEE YOU SOON.

**EDUCATION COMMITTEE**

The Education committee will meet on Saturday, August 6th at the League office, from 9:30—11:30. The subject being studied is education. We have much work to do and would appreciate any new members to our committee.

*Marty Ott, Chair*

## FEDERAL ROLE IN EDUCATION STUDY

*America's future will be determined by the home and the school. The child becomes largely what it is taught, hence we must watch what we teach it, and how we live before it.*

*Jane Addams*

The delegates at Convention 2010 approved a national study, the “Federal Role in Public Education”. The Education Study is broad and includes the following areas: historical perspective, funding and equity issues, and the Common Core Standards. This very important study will be presented at the October and November Unit meetings, and your participation is strongly encouraged. Education has been at the forefront of many discussions, locally, and nationally. Our members will have the opportunity to ask questions, voice their opinion and contribute ideas during the Consensus process. Consensus is the sense of the group on each question. Other local Leagues in the United States will be meeting and answering the same questions.

Since the 1960's the League has been building support for equal access to education. Positions include support for early childhood education, federal programs designed to meet the needs of the poor and minorities and to give women equal access to education opportunities and opposition to tax credits for families of children who attend private schools. The previous articles in the In League Reporter presented information about the history of the federal role in public education, and the equity and funding issues. This is third in a series to inform our members about the topics under consideration.

### Impact upon Early Childhood Education

Origins of the Early Childhood program began with Head Start in 1965, a part of the Elementary and Secondary Education Act (ESEA). This program was funded by the United States Dept. of Health and Human Services. Its purpose was to assist low-income families and children through some at-risk areas. Title 1 (ESEA) also has programs for early education. The money varies from state to state. Reauthorization of the Elementary and Secondary Education Act (ESEA) in 2001, called No Child Left Behind (NCLB), was signed into law. It promotes use of Title 1, Part A, funds pre-schools, emphasizing the importance of preparing children for entering school with language development and cognitive and early readiness skills. What is the role of the Federal Government in early childhood education? Should it extend to all children?

### Education of Children with Special Needs

Traditionally, all federal money has been aimed at special groups. These may be minorities – those with disabilities, living in poverty, non-English language learners, or others with identifying characteristics. Many of these

are growing nationwide, and funding does not always keep up with the growth. Should funding be targeted for special groups, block granted or blended into the general revenue?

These are a few of the questions we will be asking for this most important study, “The Federal Role in Public Education”.

The **Education Committee** suggests that you read and save these articles for the forthcoming presentation in November.

**Our next meeting is August 6, 9:30 – 11:30 am at the League Office. Anyone interested in attending or serving on this committee, please contact Marty Ott.** Members are always welcome.

## League Kicks Off Year with Food, Friends, and “What to do about Education” September 14<sup>th</sup>

Join your League friends and bring some new ones to the Fall Kick-off at Orlando’s at 8352 Watson Road on Wednesday, September 14<sup>th</sup>. Meet and greet begins at 5:30, a buffet dinner featuring pork, chicken, beef, salad, vegetables and beverages will be served at 6:00 and the program will begin at 6:45.

Our featured speaker, Professor Kathleen Brown from UMSL will help us kick off the national study on the federal government’s role in education. Professor Brown is teaches and studies educational policies and practices, especially those involving state and national reform agendas. She has also been active in community development projects in the St. Louis metropolitan area. Marty Ott, our education study chair has heard her speak and tells us that she is most engaging. As we begin work on the national study this fall this is a good way to begin.

Come catch up with your League friends, learn about volunteer opportunities and League programs for the upcoming year, and bring a friend of two who would be interested in joining the League. With a stimulating speaker, good food, and intelligent and lively conversation, how can they resist?

## VOLUNTEERS NEEDED FOR AUGUST 27<sup>TH</sup> HOUSING AUTHORITY ELECTION

Volunteers are needed to conduct the St. Louis Housing Authority election on Saturday, August 27<sup>th</sup>. You can work one of the three shifts below:

8:00 am – 1:00 pm

1:00 pm – 6:00 pm

6:00 pm – 9:00 pm (ballot count)

Our league has worked with the Housing Authority for a number of years on these elections. It is a good opportunity to become more acquainted with the City's housing, provide a valuable service, AND make some money for the League. In the past, we have been paid \$1,000 – \$1,200 for this work.

This is not a heavy turnout election, so you will have the opportunity to finish reading that last summer vacation book you didn't get done. Snacks and meals are provided.

Kathleen Kelly has worked on this project for several years and will be the point person again. She provides you with all the information you need.

Step up and volunteer. Contact Kathleen at: [dkbkmk01@swbell.net](mailto:dkbkmk01@swbell.net) or 314.533.3972.

### VOLUNTEER CORNER by Julie Behrens

It is hot, hot, hot and what better way to enjoy the summer than volunteering in the nice air-conditioned League office with Anna & Julie. Thanks to the following who helped with various tasks – newsletters – the St. Louis' In League Reporter and the State League's Missouri Voter, general office work (working on maintaining and updating databases, filing, and staffing the office while the staff is on vacation or comp. time), voter registration, membership, fundraising, and calendar order form mailing (would you believe 2012 is just around the corner). Those who contributed time and effort since last time: Mary Ellen Brucker, Doris Buzzell, Esther Clark, Jim Clark, Marj Courtney, Clyde Creel, Verna Creel, Janice Dahl, Janet Fales, Kathleen Farrell, Betty Ann Gilbert, Mickey Hall, Barbara Harris, Mary Long, Linda McDaniel, Nancy Miller, Cindy Mitchell, Marty Ott, Carol Port-

man, Louise Reeves, Mary Beth Reynolds, and Judith Smart. If we have neglected to mention anyone, please let us know and we will acknowledge you in the next newsletter.

There are always tasks to do so if you are willing to volunteer, please contact our volunteer coordinator, Barbara Harris at 314.968.3609 or email Barbara at [IMBJH@charter.net](mailto:IMBJH@charter.net)

## TRIBUTES & MEMORIALS

In memory of Anita Koester from Julie Behrens and Sydell Shayer to LWV St. Louis.

In memory of Betty Wallace, Barbara Elbrecht's sister from Jeanne Morrel-Franklin to LWV Information Service.

For a speedy recovery for Joe Kleeman from Sydell Shayer to LWV St. Louis.

For a speedy recovery for Jill Schupp from Sydell Shayer to LWV St. Louis.

### In Memory of Anita Koester

Anita Koester passed away July 10 from complications of ALS. She and I were friends for a number of years, drawn together because of common interests: the League of Women Voters, the United Nations, and Citizens for Global Solutions. She and I were co-chairs of the League's International Relations Committee for several years until she had to take a leave to care for her first husband. In 2004 I was involved in organizing a symposium on CEDAW and she was a vice president for the UN association; at that meeting she gave an impassioned speech pleading for the ratification of that UN Convention on women's rights. Perhaps the issue/document one thinks about when Anita's name comes up is the Universal Declaration of Human Rights; her knowledge of that document was phenomenal. Not only could she recite it from beginning to end or from any point in between but she also knew what each article meant and how the US stood on each one. Some might have called her zealous; others would have said she was just supremely dedicated to human rights for all mankind and fully believed those rights should be acknowledged by all in our world community. She brought the issue of human rights into most discussions we had in the IR Committee whether we were studying issues regarding trade, immigration, or a particular country. She wrote and self-published a tract on that subject: Justice, Human Rights and a Single Global Civilization. She will be missed by many – family and friends alike.

*Judith Smart, IR Chair*

### From the Executive Director's Desk - Anna Mennerick

*What is the Joint Office?* - - - Many newcomers and even seasoned League members have questions about this unique organizational relationship. The Joint Office, for starters, is a place and an entity. The Joint Office "place" is open from 9:30-3:30, Monday-Friday. The Joint Office "entity" is an affiliation of the LWV Missouri, LWV Missouri Ed Fund, LWV St. Louis and LWV Information Service.

The Joint Office and the Joint Office Staff serve all four organizations as stipulated by the Joint Office Steering Committee, with representation from each organization's board officers. The Joint Office "entity" hires and pays staff, schedules resources and maintains the equipment and supplies in the Joint Office "place." Joint Office costs appear in each organizational budget as adopted by its members or board. The Joint Office receives income in the form of monthly payments from each of the four organizations for their portions of shared costs in addition to specific organizational expenses.

Remarkably, this arrangement works. Occasionally, every organization has something going on at the same time which does increase the excitement. This practical collaboration is a great way for the state and local Leagues to pool resources and share expertise.
