PROPOSITION A METRO TAX SIMPLE MAJORITY REQUIRED

Shall the County of St. Louis impose a countywide sales tax of one-half of one percent for the purpose of providing a source of funds for public transportation purposes including the restoration, operation and expansion of MetroLink, MetroBus, disabled and senior transportation, in addition to an existing sales tax of one-quarter of one percent for the same purpose? YES NO

. The sales tax is expected to raise \$75 million a year. In addition, a previously passed sales tax in the City of St. Louis will go into effect and produce \$8 million.

. A sales tax proposal similar to Proposition A failed in November 2008, necessitating a one-third cut in transit services in Missouri. Metro was able to restore some of the services with emergency help from the State of Missouri and the Federal government. These emergency funds will run out in May. If Proposition A passes, the first priority for Metro will be restoration of the services that were cut in 2009. In addition, the funds will allow Metro to make improvements to all areas of transit services.

Proponents say (or Pro arguments):

1. A half cent sales tax increase will restore the services cut in both Metro Link and MetroBus. Access Service will return to levels prior to cuts – thereby increasing service to those with disabilities. 2. Mass transit and buses are essential to reduce the footprint of global warming, and provide for financial and economic development to the St. Louis Region. 3. Metro link has been working to increase security & to ensure fares are collected.

Opponents say (or Con arguments): 1. A half cent sales tax increase is a burden on low income people. 2. Metro has been inefficient and not cost effective. 3. Metro link does not enforce tickets on MetroLink resulting in lost income

LWVIS - Theatre Party - Fun Fund Raiser

Good Friends, Good Food and Provocative Political Theatre

Friends and members of the League gathered on Saturday afternoon, February 13 to experience HotCity Theatre's production of playwright Christopher Durang's award-winning "Why Torture is Wrong and the People Who Love Them". The play, a black comedy on America's War on Terror, was complete with enough irreverent treatment of various political skirmishes to keep everyone on their toes.

The HotCity Theatre housed at the Kranzberg Arts Center in Grand Center gave theatre-goers the opportunity to check out the Craft Alliance gallery, enjoy a delicious buffet, and catch up with their friends—all there to support the League.

The League's talented Patti Walley was both co-hostess for the event and stage manager for the HotCity production. Thanks to everyone who helped League Vice-President and event Chairman Kathleen Farrell with the event: Patti Walley Anna Mannerick and Julie Behrens in the office, Julian Long, Linda McDaniel, Becky Clausen, Mary Long, Pat Jones, Marty Rulo, Marty Ott, Betty Ann Gilbert, and Sydell Shayer and Janice Dahl for their sage advice. The proceeds will go to both the League of Women Voters and the League of Women Voters Information Service to support our work. Without the following generous sponsors this event would not have been a success.

Special thanks to these sponsors:

Ann Bader, Lois Bliss, Mary K. Brown, Mary Ellen Brucker, Janice & Bill Dahl, Sue Dellbringge, Kay Dusenbery, Robert & Naomi Edmonds, Robert Elgin, Kathleen Farrell & Julian Long, Susan Fluegel, Agnes and Dave Garino, Eve and Jeff Golden, Andrea Jackson, Yvonne & Joseph Logan, Mary Long, Tom & Cindy Mitchell, Jeanne Morrel-Franklin, Thomas J. LWV Joins Media to Produce April Voters Guide

I am very pleased to announce that the League of Women Voters of St. Louis and the St. Louis Post-Dispatch, Stltoday.com and the Suburban Journals have established a collaborative relationship to have the April Voters Guide published as an insert in the newspaper the weekend before the election.

This is quite a project so you will not be surprised if I say – **All hands on deck**. Come join us in this grand opportunity to be part of a project that is what the League is all about. We continue the work of the League as we celebrate our 90th Anniversary. There are many jobs and skills needed to complete this voters guide! We need your help! “Many hands make light work.” We need data entry, envelope stuffers, research on ballot issues, phone callers to contact non-responding candidates and more. Email the office, league@lwvstl.org or call the office, 314.961.6869 and let us know what you would like to do and the days you have available and we will get back in touch with you. AND some jobs can be done at home. I thank you in advance for all you do. --- **Linda McDaniel, Co-President LWVSTL**
